A Message from Mayor Joseph DiGirolamo

Dear Community Friends:

Council and I take a great deal of pride in providing varied recreational opportunities and programs for our constituents.

If you participated in any of our Recreation Programs or activities in the past, you know first-hand that our Parks and Recreation staff provides lots of fun filled activities where children are not only entertained, but also nurtured and well supervised.

I hope that you and your family will participate in some of activities and events offered in our Summer Recreation season, and don't forget to check out the line up for this year's **Summer Concert Series**

.... **We LOVE Wednesdays at TDBA**.....

If you have questions or need more information about recreation programs, please visit www.bensalempa.gov or call (215) 633-3724; for concert information, you can call 215-633-3631 or visit www.tdbaevents.com

In closing, as we all look forward to sunshine and warmer weather, Council and I want to wish you and your family a safe, happy, and enjoyable summer.

A Message from the Director of Parks and Recreation, Chuck McMullin

As the Director of Parks and Recreation I would like to invite all to our 2015 Summer Recreation Programs. Last season we introduced our residents to our newly formed Extended Day Program. We are happy to say that the 1st year program was a great success and therefore is returning for a second year! If you are interested in the Extended Day Program you should register early before all spaces are taken!

Our recreation department is committed to keeping Bensalem Township programming affordable and of high quality. Much pride is taken in providing your children a fun and safe atmosphere in which to spend their summer. It is our hope that when reviewing this activities brochure you will find a program to fit your needs.

In closing, I would like to welcome our new Bensalem Community Park Manager Mr. Jack Holleran and wish recently retired and dedicated Park Manager Mr. Ken Buckalew much joy in his Retirement. Welcome aboard Mr. Holleran and stay in touch Mr. Buckalew! Please feel free to contact our office at 215-633-3724 with any suggestions, questions or concerns you may have.
